Royals' Hall of Fame

Amos Otis

Steve Busby

Paul Splittorff

Cookie Rojas

Dick Howser

Two former members of the Kansas City Royals will be inducted in the Royals' Hall of Fame during ceremonies to be held at Royals Stadium, Saturday, July 8, 1989.

The Royals' Hall of Fame was established to honor those players, coaches and managers who have made exceptional contributions to the Royals' organization. Original qualifications for nomination specity that a candidate must have spent the equivalent of three seasons in a Royals' uniform and must be one year removed from the capacity in which he is being considered. A panel of 16, including members of the media and the community closely associated with baseball, make the selections.

To date, four players and one manager have been inducted into the Royals' Hall of Fame. Outfielder Amos Otis and pitcher Steve Busby were inducted in the inaugural ceremony in 1986, while Paul Splittorff, Cookie Rojas and Dick Howser were inducted in 1987.

Amos Otis' career with the Royals spanned 14 years (1970-83) when he held down the starting centerfield spot. He compiled a solid .280 average in a Kansas City uniform with 193 home runs, 992 RBI and 341 stolen bases while winning three Gold Gloves and five All-Star nominations.

Steve Busby was one of the Royals' best pitchers and top competitors despite having his career shortened by a shoulder injury. From 1973-75 he averaged 18.6 wins, 260 innings and 177 strikeouts per season while establishing many club records. His 22 wins in 1974 are a club record and he's the only pitcher to toss no-hitters in each of his first two big league seasons.

Paul Splittorff's major league career included action in 15 seasons from 1970-84. He was a mainstay of the staff from 1972-80 when he averaged nearly 15 wins and 220 innings per year. He holds the Royals' career records for wins, starts and innings pitched. In 1973 he became the first 20-game winner in Kansas City Royals' history.

Cookie Rojas brought eight-and-a-half years National League experience to the Royals in 1970 and his experience and leadership abilities were evidenced immediately on a young expansion team, providing a solid base for future championships. Rojas was named to the American League All-Star team four consecutive years (1971-74).

Dick Howser managed the Royals from August 31, 1981 to February 23, 1987 before losing a courageous battle to cancer, June 17, 1987. During Howser's regime, the Royals won three division titles and a World Championship in 1985. He compiled a 404-365 record (.525) while guiding the Royals.

Ewing M. Kauffman
Co-Owner
Chairman of the Board

There is something about a challenge that brings out the best in Ewing Kauffman, and there is something about Ewing Kauffman that brings out the best in those associated with him.

Mr. Kauffman, a daring, tireless man who ranks as Major League Baseball's third senior owner, is most responsible for baseball remaining and thriving in Kansas City. He purchased the Royals as an expansion franchise in 1968. He sold 49 percent of the club to Avron B. Fogelman in May of 1983, and in January of 1988 he sold an additional one percent to Mr. Fogelman forming an equal partnership running through 2012.

Under Mr. K, as he is known to associates, the Royals have developed into one of baseball's most respected and successful franchises. In its brief 20-year history, the Royals have won six American League Western Division Championships, two American League Pennants and a World Series Championship. Despite playing in baseball's smallest market, the Royals are annually among the game's attendance leaders and have drawn over two million in home attendance eight times. The two million figure computes to approximately 165 percent of the Kansas City area population. He sponsored formation of the Royal Lancers, a group of businessmen and women who have consistently kept Kansas City as a league leader in season ticket sales.

Mr. K devotes a good part of his time to Marion Laboratories, Inc., the Kansas City-based pharmaceutical firm which he founded a quarter of a century ago. Today he guides the company in his daily advisory role as Chairman of the Board. It was while building Marion to more than $400 million annual volume that he attracted national recognition for his ability to motivate those around him, a philosophy based upon the concept of sharing with Marion people the profits which they help generate.

Kauffman's life began on a farm near Garden City, Mo., 60 miles southeast of Kansas City. The family moved to Kansas City when he was a youngster. He attended high school and junior college locally, then spent four years in the Navy.

After a brief stint as a salesman for a pharmaceutical firm, he began in 1950 what was to become Marion Laboratories in the basement of the modest family home in Kansas City. The enterprise grew rapidly as a result of the intense personal efforts of its young owner, combining his unusual sales skills with his talent for motivating others.

Mr. Kauffman and his wife Muriel, have given much personal attention to the Kansas City community in addition to baseball. A multi-million dollar Kauffman Foundation is now in place to benefit Kansas Citians. They funded and started Kansas City's model CPR program that trained nearly 200,000 Kansas Citians in the life-saving technique. Through Mr. and Mrs. K's personal efforts, a community-wide drug awareness and prevention program was launched in April of 1984. Called Project STAR, which stands for Students Taught Awareness and Resistance, the program is designed to help young people anticipate influences that could tempt them to get involved with drugs. In addition, the program assists youth in developing self-management techniques and the skill to resist the temptation of drug usage. Mr. Kauffman also began Project Choice, a comprehensive educational and scholarship program that benefits underprivileged high school students in the Kansas City Missouri School District.

Mr. Kauffman's business and sports leadership have brought him numerous honors. The Kansas City Press Club voted him Man-of-the-Year in 1973. He was the "Mr. Baseball" honoree at the 1976 Kansas City Baseball Awards Dinner, and later that year was inducted into the Missouri Sports Hall-of-Fame. Mr. K has received the prestigious Horatio Alger Award, the Golden Plate Award from the American Academy of Achievement, the Kansas City Chamber of Commerce "Kansas Citian of the Year" award, and the Distinguished Service Award from the American Legion (Missouri). In 1986, the Southern Christian Leadership Conference selected Mr. K to receive its annual award based on Marion Laboratories strong support of civil rights causes.

Avron B. Fogelman
Co-Owner
Vice-Chairman of the Board

Energy, enthusiasm and hard work are among the key qualities Avron B. Fogelman provides for the Royals. It is more than coincidental that where Mr. Fogelman goes, success follows.

Fogelman became co-owner of the Royals on May 17, 1983, when he purchased 49 percent of the club. He purchased an additional one percent in January of 1988 to become an equal partner. The new partnership runs through 2012.

Mr. Fogelman serves on the American League's Board of Directors and this past January was presented with the prestigious "Mr. Baseball Award" at the Kansas City Baseball Awards Dinner.

A native of Memphis, Tennessee, where he has established an indelible mark as a businessman, community and civic leader, as well as sportsman, Fogelman possesses the dynamic entrepreneurial spirit that goes hand-in-hand with success.

Memphis is also the home of Fogelman Properties, Inc., a highly successful real estate conglomerate owned by Fogelman, which develops and manages apartment complexes, office buildings and commercial property. Today, Fogelman is the fifth largest apartment developer in the country and the twelfth largest real estate developer as reported by Builder magazine.

Fogelman Properties has affiliate companies in mortgage banking, real estate sales and other integrated real estate operations. The range of Fogelman Properties' business scope includes owning real estate and business enterprises in 17 cities with an estimated revenue of $200 million per year. Fogelman's influence in civic and community organizations is wide-ranging. He is a Board Member of the Tennessee Business Round Table. He previously served as President of the Memphis Chamber of Commerce, has been honored as the recipient of the "Outstanding Citizen of Memphis Award," was the recipient of the "Liberty Bell Award" from the Memphis Bar Association for outstanding civic contributions, recipient of "Outstanding Community Salesman Award of Memphis," "National Award in Land Development," by Lambda Alpha Urban Development Society, and recipient of "National Humanitarian Award" from the National Conference of Christians and Jews.

This past year Fogelman's alma mater, Tulane University, named its basketball facility the Avron B. Fogelman Arena. He has served on the university's Board of Administrators, on the President's Council and has been a guiding force in the reinstatement of the basketball program.

During the fall of 1987 Fogelman established the Avron B. Fogelman Scholars Program. It provides a four-year college scholarship to Memphis State University to every economically underprivileged high school graduate from any Memphis or Shelby County Public School who maintains a satisfactory grade point average and has a proven record of good citizenship.

Fogelman was honored in January, 1988, by the Tennessee Senate, which adopted a resolution citing his civic endeavors and designated a long stretch of I-240 and a segment of Interstate 55 as the Avron B. Fogelman Expressway.

In June, 1988, Fogelman was presented the "Master of Free Enterprise Award" from Junior Achievement of Memphis at a meeting of the Memphis Rotary club. The award is considered the most prestigious presentation in the Memphis business community.

The Memphis State University Business School is named after Fogelman. In addition, Fogelman is an Entrepreneurial Fellow at Memphis State, chairman of Memphis and Shelby County Planning Commission, a member of the Board of Directors of the Tennessee Sports Hall of Fame, a member of the President's Council of Southwestern College and a member of the Board of Directors of the Governor's Technology Foundation for the State of Tennessee.

With all that, Fogelman attends almost all Royals' home games and spends a great deal of his time in Kansas City.

He and his wife Wendy have three sons: Hal (25), Rick (22) and Mark (19).

Joe Burke
President

One of the most respected executives in baseball, Joe Burke's is a self-made success story which enters its 42nd year in 1989.

Following a nine-year tenure as Executive Vice-President and General Manager, Burke was named President, October 8, 1981.

In addition to serving as President of the Royals, he also has been called on by Major League Baseball for leadership on many key committees.

Under Burke's guidance, baseball has achieved the greatest success it has known in its 30-year history in Kansas City. To wit, the Royals have won two American League pennants, brought the World Series Championship to Kansas City for the first time and been American League Western Division champions six times.

With more than 28 years of adminstrative experience on the major league level, it is no surprise that the 65-year old Burke has molded the Royals into one of baseball's most respected organizations.

An active participant in the continued development and growth of Major League Baseball, Burke was influential in the current structure of the four divisions and the beginning of the League Championship Series. Chairman of the Committee on Divisional Play is just one of the many avenues Burke has traveled in baseball. He also was a member of the Committee on Expansion and has served on the Schedule Committee, Division of Receipts Committee and the Player Relations Committee.

In recognition for his dedication to bringing Kansas City its first division championship, Burke was named the 1976 Major League Executive-of-the-Year by *The Sporting News*. He was selected for the prestigious honor by a vote of the other major league executive officers. Following the Royals' second consecutive division title in 1977, Burke received the "Mr. Baseball" Award at the Seventh Annual Kansas City Baseball Awards Dinner in January of 1978. The award is for outstanding service to professional baseball in Kansas City.

Burke served as Executive Vice-President and General Manager from June 11, 1974, until his appointment as President. He joined the Royals organization in September of 1973 as Vice-President--Business. Prior to that he served as Vice-President and General Manager of the Washington Senators--Texas Rangers organization for five years (1968-73). Burke first joined the Senators as Assistant General Manager in 1961. He became Business Manager and Treasurer in 1963 and was named Vice President in 1968.

Burke's first 12 years (1948-60) were with the Louisville Colonels in his hometown. He was selected Man-of-the-Year by the Louisville baseball writers in 1960 when the Colonels, then affiliated with the Milwaukee Braves, won the Junior World Series. Burke was General Manager at the time, having taken over those duties in 1956. He began with Louisville as Ticket Manager and Business Manager.

Burke and his wife Mary make their home in Overland Park, Kansas. They have seven children: Joe, Mary Ann, Jimmy, John, Alice, Bobby and Vincent.

John Schuerholz
Executive Vice President and General Manager

John Schuerholz provides the Kansas City Royals with firm and steady leadership as he calls on 21 years of experience in player development in the Kansas City organization to direct the operation. Under his guidance, the club has maintained its reputation for excellence while achieving Major League Baseball's ultimate goal--a World Championship in 1985.

The 48-year old Executive Vice President and General Manager has quietly been a major factor in the franchise's success as he is a strong believer in developing talent through the club's minor league system. At the same time, he has engineered a number of player trades and transactions over the past several seasons that proved to be vital in the championship picture. His talents have not gone unnoticed as he was selected by the other major league baseball general managers for *The Sporting News*' Major League Executive-of-the-Year following the 1985 season.

Schuerholz also was honored by the Kansas City Chapter of the Baseball Writers Association of America by being named "Mr. Baseball" at the awards banquet in January, 1986. The award is presented to the person who has contributed greatly to further the cause of professional baseball in Kansas City.

A product of Baltimore, Maryland, Schuerholz is the only person to have been involved with every player who has come through the Royals' farm system. He was a member of the Royals front-office before the franchise played its first exhibition game and, in 1968, was involved in the expansion draft that was to be the first-ever Royals' roster.

He joined the organization in August of 1968 as an Administrative Assistant. In 1970 he was named Assistant Farm Director and held that post until 1975 when he became Farm Director. After a year in that position, Schuerholz moved up to become Director of Player Procurement and Development. In 1979 at the age of 38, he was named Vice-President--Player Personnel. He assumed his current position, succeeding Joe Burke as Executive Vice President and General Manager, in October of 1981.

Among his many accomplishments during his 21-year association with the Royals, Schuerholz has overseen the administration of the entire minor league system, supervised scouts, hired managers and coaches and negotiated player contracts and trades.

Prior to joining the Royals, Schuerholz received his first exposure to major league baseball with the Baltimore Orioles, serving as an assistant to the minor league and scouting departments for two years (1967-68). He was a junior high school teacher in Baltimore for 4 1/2 years before beginning his career in professional baseball.

A graduate of Towson (MD) State University, Schuerholz was an all-conference choice in baseball and soccer. He was named the school's Athlete-of-the-Year in 1962. He was inducted in the Towson State University Hall of Fame in 1973.

Schuerholz and his wife Karen, daughter Gina and son Jonathan reside in Leawood, Kansas.

Included in his supervisory responsibilities are the ticket office, marketing functions, Stadium Club and all stadium activities such as crowd control, parking, concessions, maintenance and special events.

In January of 1989, his title was changed to Vice President-Finance. Rohr was born in Denver, Colorado, but grew up in the Kansas City area where he attended Bishop Miege High School. Rookie-of-the-Year.

1973--George made his major league debut August 2 at Chicago ...was 20 years, 2 months and 18 days old and thus was the youngest Royals' player to make a major league appearance until Clint Hurdle arrived in 1977...he lined out to pitcher Stan Bahnsen in his initial big-league at bat, which occurred in the top of the 2nd inning (George was the starting 3rd baseman and batted 8th in the order behind Ed Kirkpatrick and ahead of Fran Healy)...his 1st major league hit occurred with 1 out in the top of the 4th inning of that August 2 game at Comiskey Park as he singled to leftfield off Bahnsen...went 1-for-4 in his debut and KC won 3-1...he had been purchased from Omaha (AAA) on August 2 when Paul Schaal was injured...was optioned back to Omaha, August 14...was recalled September 3 along with outfielder Jim Wohlford and pitcher Wayne Simpson...stayed with KC the remainder of the '73 season.

Project STAR

Project STAR (Students Taught Awareness and Resistance) is a comprehensive, community-wide drug and alcohol prevention program initiated by Mr .and Mrs. Ewing Kauffman. The project is funded by The Kauffman Foundation with support from Marion Laboratories, Inc. The project is designed to help young people in the greater Kansas City area develop an understanding of the consequences of drug abuse, identify influences which promote the use of drugs and alcohol, and develop the social skills necessary to resist those influences. Because students are influenced by many factors within their school environment, the project will focus on those major forces. However, students are influenced by their total environment, and that influence can be either positive or negative. By stimulating and coordinating the cooperative efforts of schools, various community agencies, parent groups, business and professional organizations and the media, Project STAR will help young people in the Kansas City area resist the many influences to become involved with drugs and alcohol.

Pinch Hitter Rule

A player shall be considered a pinch hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. (If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch hitter during that second time up).

A substitute hitter for a designated hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a designated hitter only.

Designated Hitter Rule

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role.

No-Hitters

Steve Busby and Jim Colborn are the only pitchers in Kansas City's modern major league history to have hurled no-hitters.

Busby accomplished the feat on 2 occasions, the first coming at Tiger Stadium when he held Detroit hitless on April 27, 1973. Busby gave up 6 walks and struck out 4 as Kansas City won 3-0. His 2nd gem also came on the road on June 19, 1974 at Milwaukee's County Stadium where he blanked the Brewers, 2-0. It was in near perfect fashion as the only baserunner was George Scott, who walked to lead off the 2nd inning.

Colborn recorded the 1st no-hitter by a Kansas City pitcher in Royals Stadium on May 14, 1977, when he blanked the Texas Rangers, 6-0. It too was nearly a perfect outing as Colborn walked one batter and hit another while facing only 28 hitters.

Busby and relief pitcher Doug Bird teamed up for a no-hitter against Detroit March 23, 1973 during the exhibition season. Busby pitched the 1st 6 innings and allowed only 2 baserunners--1 reached base on a walk and the other on an error. Bird pitched the final 3 innings and allowed only 2 walks as KC won 4-1.

In 1888 Henry Porter hurled a no-hit game for Kansas City's American Association major league club. It was a 4-0 win in Baltimore as the righthander walked 2 batters.

Until Busby and Bird teamed up for their gem, the last professional no-hitter by a Kansas City hurler had been Ernie Nevel's 7-inning gem in the Triple-A American Association in 1951.

California Angels' ace Nolan Ryan recorded the 1st no-hitter in Royals Stadium on May 15, 1973. He struck out 12 and allowed only 3 base runners--all on walks.

The only other no-hitter thrown against Kansas City came when Jack Kralick of the Minnesota Twins no-hit the Athletics at Bloomington on Aug. 26, 1962 for a 1-0 victory. He came within 2 outs of pitching a perfect game. With 1 out in the 9th inning, he walked pinch hitter George Alusik on a 3-2 pitch.

Carl DeRose of the Blues of the American Association hurled the only professional no-hitter in Municipal Stadium when he blanked Minneapolis 5-0, on June 26, 1947. He faced only 27 batters, making it the first perfect game in American Association history.

Philadelphia came back from a 4-0 deficit to win a 7-6 thriller. 20-game winner Dennis Leonard was unable to survive the Phillies 5-run third inning. Bob Walk, the first rookie to start a World Series game since 1952, was the winner. Tug McGraw snuffed out a late KC rally to earn the save. the Royals struck early as Amos Otis homered in his first World Series at bat with one out in the 2nd inning. KC made it 4-0 via a Willie Aikens 2-run homer in the 3rd. the Phillies came to life with 5 runs on 4 hits and a walk in the 3rd inning. the big blow was a 2-out, 3-run homer hit by Bake McBride. Aikens homered again in the 8th to cut the Phillies' lead to 7-6.

The Phillies used late-inning heroics to win another come-from-behind battle, 6-4. KC led 4-2 entering the 8th inning, but Philly scored 4 times off ace reliever Dan Quisenberry to take a 2-0 lead in the Fall Classic. George Brett left the game in the 6th inning after going 2-for-2 with a walk—it was later revealed he was suffering from hemorrhoids. neither club could score off lefthanders Larry Gura and Steve Carlton until the 5th when Philadelphia scored twice on 3 hits and a walk. KC scored an unearned run in the 6th and 3 tallies in the 7th. Amos Otis' bases-loaded double provided KC its 4-2 advantage.

Behind the near-rabid support of 65,838 fans at Veterans Stadium, Philadelphia methodically eliminated the Royals 4-1 behind the crafty work of Steve Carlton and Tug McGraw Carlton allowed only 4 hits while striking out 7 in his 7 innings of work and McGraw pitched the final 2 frames allowing 3 hits Mike Schmidt gave the Phils all they really needed with a 2-run single in the 3rd inning Philadelphia added single tallies off Renie Martin in the 5th and Paul Splittorff in the 6th the Royals never ran out of spirit sending Carlton to the clubhouse by scoring a run in the 8th

KC also threatened in the 9th loading the bases with only one out, but McGraw fought his way out of the jam to bring the Phillies their first World Series title

Charlie Leibrandt limited the Cardinals to 2 hits through the first 8 innings, but St. Louis struck for 4 runs in the top of the 9th to take a 2-0 lead in the Series. the Cardinals became the first team since the Yankees in the '39 Series to come back from a 2-0 deficit in the 9th inning. the Cards strung together a Series-record 3 doubles—the last of the 2 was Terry Pendleton's 2-out bases-loaded shot down the leftfield line. Leibrandt was literally 1 out away from victory.

Bret Saberhagen allowed a half-dozen singles en route to giving the Royals their long-awaited first victory of the Series. KC's offense broke out of its World Series lethargy with 11 hits, including a 2-run home run and a run-scoring double by Frank White after Lonnie Smith's 2-run double put the Royals ahead 2-0 in the 4th. White unloaded his 2-run round-tripper in the 5th, knocking out St. Louis starter Joaquin Andujar. Saberhagen survived a Cardinal rally in the first inning with the runners going from first and second on a full-count pitch to Jack Clark. Sabes threw a called third strike and Jim Sundberg threw out Willie McGee for an inning-ending double play.

Tito Landrum and Willie McGee each hit bases-empty home runs to back John Tudor's 2nd consecutive brilliant outing to give the Cards a nearly insurmountable 3-1 advantage in the best of 7 Series, in addition to the home runs, KC starter Buddy Black was victimized by a squeeze play on a full-count to Tom Nieto who laid the bunt down scoring Terry Pendleton who had tripled. Tudor, meanwhile, was striking out George Brett and Lonnie Smith 2 times a piece. Tudor tossed but 106 pitches and became the first pitcher to hurl a World Series shutout since Baltimore's Scott McGregor in 1983.

Danny Jackson stuffed a cork in the Cardinals' offense and their celebration hopes with a 5-hitter and Willie Wilson keyed an early Royals' uprising to force the Series westward via I-70 . . . the Cardinals' only run came on a bloop double by Tommy Herr followed by a gapper by Jack Clark . . . D.J. retired the lead-off Cardinal in every inning and retired the Birds in order 5 times . . . Wilson fashioned a 2-run triple to highlight a 3-run 2nd inning and send Cardinal starter Bob Forsch to the showers . . . the St. Louis bullpen effectively shutdown the Royals until the 8th and 9th when KC scored single tallies.

For the first time in the '85 season (regular and post), the St. Louis Cardinals did not win a game when they led entering the 9th inning . . . former Cardinal Dane Iorg saw to that . . . St. Louis went into the 9th with a 1-0 lead thanks to a bloop run scoring single by Brian Harper in the 8th . . . having guarded all of their previous 88 9th-inning leads, the Cardinals fell prey to a little bit of fate and Iorg's timely 2-run single . . . a controversial call at first base, a misplayed pop-up by Jack Clark, a botched bunt by Jim Sundberg, a passed ball by Darrell Porter, an intentional walk to Hal McRae and Iorg's 1-out dramatic hit to rightfield and the Royals were winners 2-1.

Bret Saberhagen tossed a 5-hitter, Darryl Motley blasted a 2-run homer and the Royals beat the Cardinals climaxing one the greatest comebacks in World Series history. It was the 3rd-highest run total and most lopsided victory in the 176 games KC played since the season began April 8. John Tudor, who had allowed but 1 run in 15.2 innings in winning 2 previous World Series starts, was rocked and suffered his earliest exit of the '85 season. KC batted around in the 3rd and 5th innings. The Royals tied a Series record by scoring 6 times in the 5th. Whitey Herzog and Joaquin Andujar were ejected. The Cardinals also tied a Series mark by using 5 pitchers in the fateful 5th.

Steve Mingori and Mark Littell are the only Royals' pitchers to log regular-season at bats since the designated hitter rule came into effect. Mingori struck out in his appearance (Game 1, June 22, 1975, at Oakland). Littell struck out in both his plate appearances (June 2, 1976, at Oakland and May 21, 1977 vs. Cleveland). Steve Busby is the last KC pitcher to collect a hit with a 3-for-4 day (September 20, 1972, at Chicago).

Royals Stadium Media Spring Training

Royals Stadium

Recognized throughout baseball as one of the game's most beautiful ballparks, Royals Stadium is 17-years old in 1989.

More than 30 million people have visited Royals Stadium since it opened in 1973, with attendance topping the 2 million mark in 8 of the last 11 campaigns.

The stadium opened April 10, 1973 with the Royals defeating Texas 12-1 before 39,464 fans. Since then, many exciting games have been contested here, including the 1973 All-Star game, 2 no-hitters, playoffs games in 1976, '77, '78, '80, '81, '84 and '85 and 7 World Series contests in 1980 and 1985.

Royals Stadium features a $1.7 million Astro Turf-8 Drainthru playing surface (manufactured by Monsanto) which covers both the infield and outfield, a 12-story high scoreboard and 322-foot wide water spectacular. The scoreboard contains 16,320 light bulbs, most of them on the 40-foot wide, 60-foot high screen. The water spectacular runs from centerfield to the rightfield corner and is the largest privately funded fountain in the world.

Four circular ramps and 4 escalators make all sections easy to reach. 20,316 of the 40,625 seats are on the lower level with 2,487 on the club level (even with press facilities) and 17,822 on the upper level.

Media representatives work in the air conditioned comfort of a 2-level press box. The upper level includes 7 broadcasting booths with the lower section containing working space for the print media. There are also field and press level photographer and television camera positions.

INTERVIEW periods are arranged prior to and following Royals' games. John Wathan usually arrives by 3:30 p.m. prior to night games and is available to the press. Pre-game interviews should be conducted prior to the conclusion of batting practice. We request that reporters and broadcasters leave the field and dugout area when infield practice begins (12:50 p.m. for day games, 6:20 p.m. for 7:05 p.m. games and 6:50 p.m. for 7:35 p.m. games) and that photographers report to their assigned photo positions.

ROYALS' CLUBHOUSE will be open to the media with clubhouse credentials until 30 minutes prior to the game and immediately following each game. Film interviews may also be conducted in the clubhouse. The Royals' clubhouse will be closed between games of a doubleheader. There will be occasions when the Royals may request the clubhouse be cleared for team meetings and we ask your cooperation at these times. **The training room is closed to everyone except players and Royals' officials.** Players will be made available outside the clubhouse as necessary if the clubhouse is closed. The dugout is off limits in accordance with American League rules during the game for everyone except the manager, coaches, players and certain club officials.

PHOTOGRAPHERS will be assigned to photo bays on the field at the end of each dugout, the field level bay behind home plate or the bay located in the main press box. Photographers in the dugout field boxes should remain in the photo bays at all times during the game. If absolutely necessary, photographers who have to meet deadlines before the game ends should leave between innings only. Photographers shooting from the field level bay behind home plate must keep the gates closed. Photos are allowed during batting practice, but photgraphers should remain in foul territory in the area behind home plate. Photographers should assume their assigned positions at the conclusion of batting practice.

Umpire Interview Policy

American League umpires shall cooperate with the news media concerning controversial plays, protested games and unusual incidents, ejections, etc. Any unusual play should be explained to the press box, usually between innings. Umpires are available for post game interviews relative to unusual or controversial happenings. The senior umpire is in charge of such interview and will act as a spokesman for the "crew".

Royals' Radio and Television Networks

For the 15th consecutive season, Stauffer Communications' WIBW Radio(AM-580) in Topeka, Kansas, will serve as the Royals' flagship station.

Under the guidance of General Manager Bob Fromme and Stauffer Vice President for Broadcasting Jerry Holley, the Royals' Radio Network will broadcast 16 spring training games and the entire 162-game regular season schedule. The network affiliate in the Kansas City area will once again be KMBZ Radio (AM-980). KMBZ has carried Royals' games in 17 of the club's previous 20 years. KMBZ offers its listeners comprehensive pre- and post-game programs hosted by KMBZ Sports Director Bob Davis.

The Royals Radio Network is one of the largest in Major League Baseball in terms of number of stations (more than 110) and geography (10 states).

In its 9th season as the flagship station for the Royals' Television Network is WDAF-TV (Channel 4) in Kansas City. With Buddy Turner (Manager Royals' Baseball Television Network) in charge, the Royals' Television Network will televise live 52 Royals' games during the '89 season.

The voices on the radio network will be familiar in 1989 with Denny Matthews and Fred White handling the play-by-play. Denny Trease will be joined by former Royals' pitcher Paul Splittorff on the television network.

Denny Matthews will call the action on Royals' radio for the 21st season. The Illinois Wesleyan graduate was chosen from more than 300 applicants for the No. 2 announcer position prior to the Royals' initial season in 1969. He took over the No. 1 job after the 1975 season. In addition to his work with the Royals, Matthews lent his baseball play-by-play skills to the CBS Radio Network during portions of the regular season and during the 1982 and '85 World Series. He is an avid collector of sports publications (media guides, yearbooks, game programs, etc.). He spends his winters playing semi-pro hockey. He is single.

Fred White enters his 16th year with the Royals. The award-winning announcer has worked college basketball and football games for CBS, NBC, TVS, Raycom and ESPN. His voice is heard year-round as he continues to draw college basketball assignments throughtout the country. An Eastern Illinois University graduate (same alma mater as Royals' infielder Kevin Seitzer), White has been named Kansas Sportscaster-of-the-Year several times. He was the "voice" of Kansas State University football and basketball for several seasons. He and his wife, Barb, reside in Mission, Kansas. He has three children, Stacy, John and Joe Brett.

Don Free, who has worked for WIBW for 21 years, will begin his fourth year as the producer/engineer of the radio broadcasts. He and his wife Sandy, live in Topeka with their daughters Kristin and Jennifer.

Denny Trease will handle television play-by-play duties for his tenth consecutive season. The University of Miami (FL) graduate also handles sports assignments for WDAF-TV. He spent seven seasons describing the action of the University of Kentucky football and basketball games. He and his wife, Joyce, are the parents of two children, Kristen and Chad.

Paul Splittorff begins his second year on the Royals' television network. The Royals' Hall of Famer and all-time winningest pitcher in club history has developed his broadcasting background since retiring in 1984 after pitching in the Royals' organization since 1968. Splitt worked on the Royals pre- and post-game show on KMBZ radio in 1986 and '87. He has also worked at KKJC-AM as a play-by-play announcer and analyst for local high school football and basketball during the 1985-86 and 86-87 seasons. Besides his radio broadcast work locally he handled the color commentary for ESPN during the 1985 season on the game-of-the-week and College World Series. Following his retirement he worked on the Royals Radio Network for the remainder of the '84 season and in 1985. Paul and his wife Lynn live in Blue Springs, Missouri with their children Jennifer and Jamie.

Boardwalk and Baseball

The 1989 spring training season marks the second year for the Kansas City Royals Spring Training Headquarters at Boardwalk and Baseball, a unique American Classic Amusement Park. Boardwalk and Baseball combines two entertainment favorites in one on a beautiful 135 acre tract located in Baseball City, Florida, and is owned by Harcourt Brace Jovanovich, Inc.

Fans of America's pasttime are in for a special treat as they visit the extraordinary baseball portion of Boardwalk and Baseball. Baseball will be featured throughout the year, highlighted by both professional and amateur play.

Featured is the Baseball City Stadium, a state of the art 7,000 seat stadium, which opened in the spring of 1988 with an OMNITURF infield and natural grass outfield. The complex also includes five additional full-sized fields adjacent to Baseball City Stadium. The Stadium and each of the fields feature the same dimensions as Royals Stadium in Kansas City. In addition, there are special major league and minor league hitting and pitching tunnels as well as office and clubhouse facilities to be used by the Royals' minor clubs for spring training. Following spring training the Royals' Class A Florida State League affiliate, the Baseball City Royals, owned by HBJ, and the Royals' Gulf Coast Rookie League team, the Boardwalk Royals, will remain at Boardwalk and Baseball and be the feature attractions.

The Kansas City Royals major league spring training camp runs from February 16-March 31, featuring daily workouts from approximately 10:00 a.m.-1:30 p.m. until the exhibition game schedule begins on March 3. Pitchers and catchers begin working out February 17 and the full squad starts workouts on February 22. Major league workouts generally will be held in Baseball City Stadium and on the field immediately adjacent to the Stadium. When the Royals play exhibition road games, brief workouts are also generally held in Baseball City Stadium at 10:00 a.m.

The Royals six minor league affiliates including the Omaha Royals (AAA), Memphis Chicks (AA), Baseball City Royals (A), Appleton Foxes (A), Eugene Emeralds (Short-A) and the Boardwalk Royals (Rookie), will generally utilize the four-field cloverleaf facility from March 3 through early April for workouts and games. The daily minor league on-field schedule runs approximately from 10:00 a.m.-3:00 p.m. for workouts or through the conclusion of games scheduled to start at 1:00 p.m. beginning on March 17.

There is more for baseball buffs, too. Located in the amusement park are baseball displays, gift shops and participation events. Fans can get their own personalized "Faceball Card" or actually take swings in a batting cage or log the speed of their strikes in a pitching cage. A taste of Cooperstown is a special attraction as the only permanent display of the National Baseball Hall of Fame and Museum located outside of Cooperstown, NY, featuring artifacts from the late 1880's to present day.

Thrill rides, live entertainment and a midway form the amusement park reminiscent of the heyday of Coney Island and Atlantic City, all interconnected by an authentic jarrah wood boardwalk. There are 30 rides and the midway features 17 games while the Royal Lipizzan Stallion Show in the 2,000 seat covered arena highlight a visit to Boardwalk and Baseball.
